3. Planning Applications

See Planning Sub Group minutes 15th October 2020

4. Planning Decisions

None received

5. Communications

- Report made to CWaC asking for repairs to setts (cobble) on the mini roundabout on Caldly Valley Road at the junction of the Caldly Valley Retail Park which have been damaged by vehicles driving over the edge of the roundabout. Rpt no. HW256276063 (Response from CWaC - *Thank you for reporting the issue with the missing blocks on the mini-roundabout on Caldly Valley Road. I have already inspected this very recently, following another complaint about the same issue. I have raised a job with our contractor to re-install these, but due to them being off the carriageway it is a lower priority, as nobody should be driving or walking over these*)
- The Clerk received 10 complaints on 14th October regarding the noise from the roadworks on the A55 slip road – all were responded to. Clerk has liaised with the Clerk from Huntingdon and it seems that Highways England were carrying out repair work. CWaC Highways have been asked if the parish council could be given advance warning of this sort of work.
- Complaint from resident regarding dog mess on green space at Whitemeadow and request for dogs to be banned – acknowledgement sent and issue raised by Cllrs Board & Collings
- Liaison with Chester Cycling Campaign & CWaC re barriers on Pentland Close - site meeting held and redesign agreed to enable access for disabled residents

6. Operational Information

It is now a requirement that we display the official NHS QR poster at Vicars Cross Community Centre. For more information on what a QR poster is and how to use it visit this link (includes a quick video guide):

https://www.covid19.nhs.uk/?utm_campaign=App_Launch_England&utm_medium=paid_social&utm_source=Google&utm_content=PPC&qclid=CjwKCAjw2dD7BRASEiwAWCtCb3lq8NNZHb71_kJZqr0r7FbsezIrx8XK4ksqhDrkdJASuVZ3H0UMhoCausQAvD_BwE

You will see at the entrance to the centre- two QR code posters displayed. Please note – visitors to the centre only need to scan one of them, they are both the same poster, but one is displayed on each door in the hope to prevent queues building to enter the centre. The government recommendation is that every visitor to the centre scans the QR poster on arrival using the NHS Track and Trace App on their phone.
