

THE FUTURE OF THE LAND ADJACENT TO THE CALDY VALLEY NEIGHBOURHOOD CENTRE CAR PARK

Can you help us?

Great Boughton Parish Council are actively seeking to gather the views of local residents on the future use of the parish council land to the South of Caldly Valley Church and Neighbourhood Centre. The land is 0.8 acres and is currently grassed with trees and planting and contains a boules court and small community garden. It is positioned between the A55 and Caldly Valley Road and is a long narrow strip of land.

In May 2018, the council was approached by a developer who expressed an interest in purchasing the site on behalf of a fast food franchise.

The council now wishes to consult with local residents on whether the site should be sold, using the income to improve local facilities or keep the site, in which case, what would local people want to happen to it?

Please complete the short questionnaire below and send it back to

Parish Council Office

Vicars Cross Community Centre, Thackeray Drive, Chester CH3 5LP

Alternatively, you can email your views to clerk@greatboughtonparishcouncil.org.uk or ring 01244 637277

****Consultation will end on Friday 11th January 2019.***

Please tell us what you think:

Q1: How often have you visited the land at the bottom of the Caldly Valley Church & Neighbourhood Centre's car park in the last month?

10 + times Less than 4 times
4 – 10 times Never

Q2: If you have visited the land, can you tell us why?

Q3: Do you think the land should be:

Maintained as an open space

Sold or leased to a commercial developer

*Enhanced by the parish council

****The parish council might need to borrow money to invest in developments which could mean an increase in your council tax.***

Can you explain the reasons for your preference?

Thank you
