I am keen to hear from the local community -

Do you have any local concerns?

Where would you like me to complete speed checks?

What can I do to support the local community?

Please email me – Tony.Icke@cheshire.pnn.police.uk or speak to the Parish Council.

I aim to be out on foot in the area as much as possible so that I am visible to the whole community and available if anyone has a concern which they wish to pass on in person. This is a great way to pass on any concerns but if I am unavailable then I encourage everyone to report incidents or concerns using 101, the Cheshire Police website, or of course in case of emergency 999.

Due to the Lockdown police surgeries will now be held virtually. During the surgery time I will be reading and responding to emails that get sent to me with any concerns that you have about your local area. If you prefer I can call you to discuss your issues if you get in touch with a contact number I will attempt to call you during the surgery time.

Kind regards,

PCSO Tony Icke 23411.
