Coronavirus help if you need it.

The parish council is doing all it can to help local residents with collecting prescriptions or shopping, so if you need help, just give the Clerk a ring on 07709 512 348.

There is also a lot of help available from the Cheshire West and Chester Council website and they have a dedicated helpline – ring 0300123 7031 or you can contact the NHS Helpline 0808 196 3646 or visit www.nhsvolunteerresponders.org.uk

Great Boughton in Bloom 2020

The nominations for the annual awards have now closed and the judges are busy sifting through the entries to decide which ones they love most. There will be an exhibition of photos of all the entries during October in Vicars Cross Community Centre to which winners will be invited. We would like to thank everyone for their hard work and for sharing the joy of their gardens with us.

Vicars Cross Community Centre

The community centre in Thackeray Drive is now open and Covid19 secure. All staff have completed online training and the centre is marked for 2 metre spacing. If you are interested in booking a future event or meeting, give Jodie a ring on 01244 342268 or email vxcc@greatboughtonparishcouncil.org.uk

Working together for our community

Carols at Old Laundry Corner

The parish council has reluctantly made the decision that the annual carol service that is usually held at Old Laundry Corner in December will not be going ahead this year. Last year around 70 local residents joined parish councillors to sing some well known carols and celebrate the festive season and local children took part in a lantern competition. Hopefully we'll be able to do it again next year but this year, the health and well being of residents and councillors must be put first.

Remembrance Benches

Hopefully you will have noticed the two new benches – one at Old Laundry Corner and one at Vicars Cross Community Centre which were commissioned over the summer and arrived just after VE Day in May. If you haven't spotted them yet, do take a look.

The parish council are keen to hold local litter picks where and when it is safe to do so. If you know of a street or area that needs a tidy up or if you would like to join us, please get in touch in the usual way.

And finally...

Future Parish Council meeting dates are uncertain although the parish councillors are keen to ensure that public scrutiny and local democracy continues through these challenging times. There are details on our local notice boards of council meetings that are planned but these are subject to change. Local residents are always welcome at any council meetings and you can get up to date information on meetings from the Clerk.

Please check our website or notice boards for details of these and all our other meetings.

To contact any parish councillor, please ring the Clerk on 07709512348 or email clerk@greatboughtonparishcouncillor.org.uk
